Firmware Update 1.2.6.R
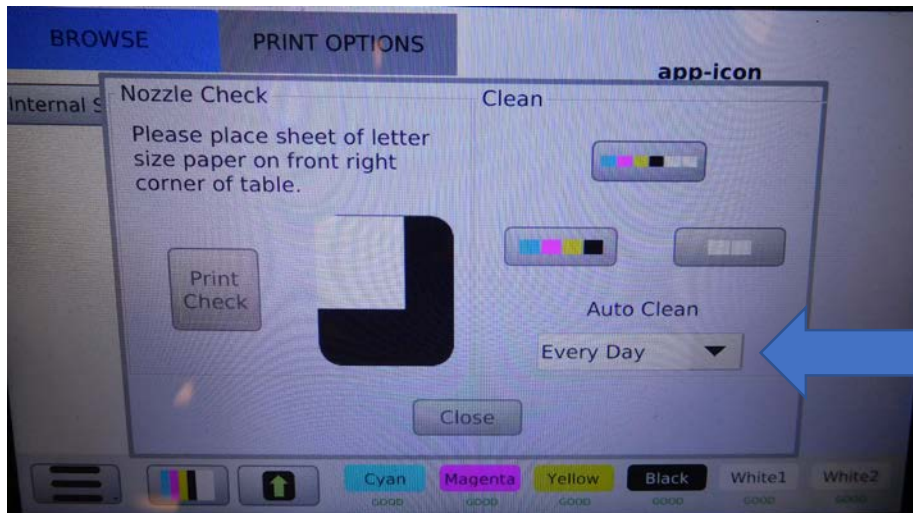

List of changes from 1.2
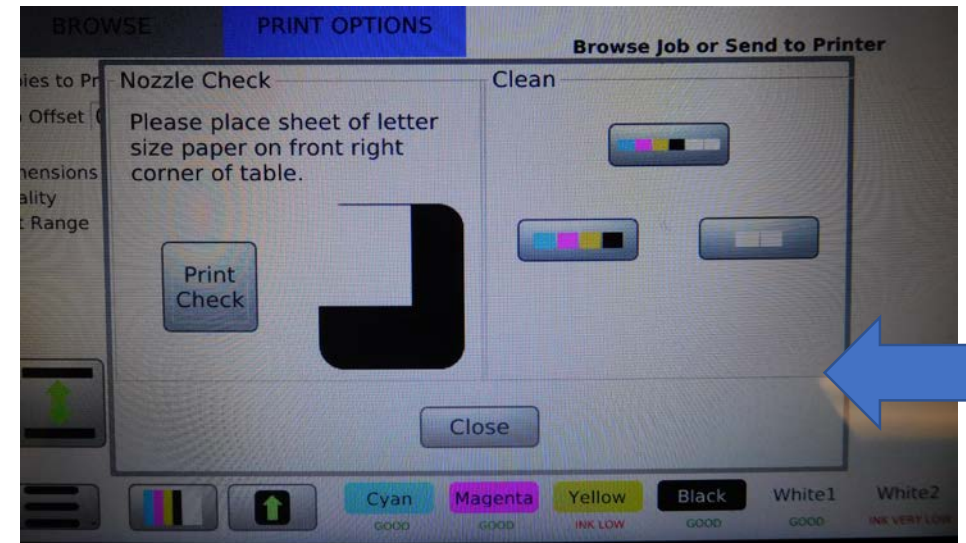

Items Changed:

- Drop Down Menu has been Removed From Print Check/Head Clean Menu

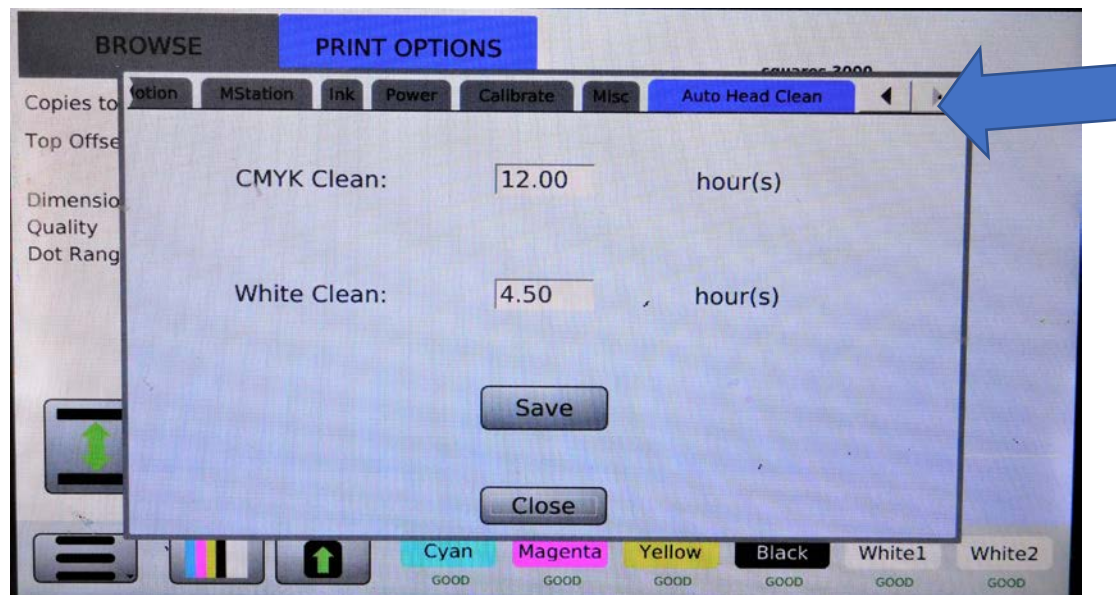

Before

After

Items Changed Continued…

- Page added to ADVANCE menu. Auto Clean can now be adjusted in the increments of .01 hours (Numeric Pad Pop Up). White and CMYK will have separate entries. 4.5 Hours for White and 12 hours for CMYK

Items Changed Continued…

- Logic Change: clean timing will be regardless of use and not based on when the printer was in an idle state. Auto Clean will no be the same as the user initiated clean. Auto Clean will be much lighter, supporting only the maintenance of the printer.

Updating to 1.2.6.R
